

Rochester Elks 2120 – APR 2013

MESSAGE FROM THE EXALTED RULER

First, I would like to thank all the past officers and all the volunteers over the past year for all their time and efforts they have given to the Elks and the members.

As most of you know by this time, we have had election of new officers to the lodge for this coming year of 2013-2014. Please welcome all of these officers as well as all the volunteers who have accepted to be on various committees. There is plenty of work to be done here at the lodge to continue all the great things that the Elks does for our members and community.

As all you know by reading the newspapers and listening to the news, many non-profit organizations are suffering the loss of revenues and volunteerism of their members. Our lodge like many other non-profit organizations relies solely on its members for support. We here at the Elks 2120 lodge are very fortunate to have such a beautiful lodge on the lake and a 9-hole golf course. It is a place where members and guests can gather to enjoy friendship, great food, boating and golf. You and our guests support is what makes all this happen and we thank each and every one of you for your support and hope you will continue to do so.

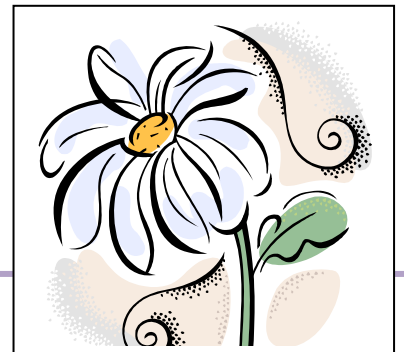

There will be several new changes in the next few months to improve our lodge and make it a better place for our Elk members and guests. Please feel free to give your input on these new changes. If you have any suggestions we want to hear about them, your opinion does count to us all.

In closing, I ask all of you for your continued support of our organization and for helping make the Elks a place for all our members and guests to enjoy and be proud to be a part of.

As always, you the members are what make your Elks the lodge it can be.

Thank you ALL so much!
