MESSAGE FROM THE EXALTED RULER

Welcome Spring! Most of the snowbirds are back and our club is in full swing. The bar and restaurant are back open. Meals are being served every Friday evening.

Piers are going in. Boaters will be happy to know we will have a snack bar menu in the bar. This will be available during bar hours. Hot dogs, sausage, pulled pork, chips, crackers and other snacks will be available to our hungry boaters.

Golf really kicks off the first of May with tournaments and leagues all starting. We will be holding a memorial tournament the end of this month in honor of all the Elks that are no longer with us. Monday is now Senior Day at the Elks with our senior league running every Monday.

We are looking for volunteers to be on our golf committee along with a lodge/dining committee to help us improve our club overall. I look forward to feedback from all our members on how to improve our club.

Randy Clark, Exalted Ruler.

MESSAGE FROM THE BOARD OF TRUSTEES

The month of May ushers in our golf league, golf outings and boat traffic. Hopes are that golfers will enjoy our golf course that is in great shape. With our piers in, hopes are that boaters will find their way to the Elks to enjoy our patio, food, drinks and beautiful lake views. We encourage any and all member feedback. Please help in making the Rochester Elks Lodge 2120 the very best it can be.

We would like to thank Randy Clark for not only taking on the Exalted Ruler position but also for all the hard work he has done in the Pro Shop and on the Golf Course. They both look fabulous!

BOGUS MEMBERSHIP SUSPENSION NOTICE

Grand Lodge has notified all lodges of a bogus email being circulated requesting a Membership Verification stating you have 24 hours to complete verification to "avoid service suspension." It is not legitimate and you should disregard and delete it.

A REFRESHER COURSE – SALE OF ALCOHOLIC BEVERAGES TO NON-MEMBERS

New members (an a few older members) may not be familiar with the State of Indiana laws that govern the sale of alcoholic beverages by private clubs. The following is a guide to these sales taken from the State of Indiana Excise web site.

No holder of a club permit can sell or give alcoholic beverages to any person who is not a bona fide member of the club. Club membership also includes visiting members and members of an affiliated organization or association auxiliary. The only legal exception to the law is that a non-member may purchase his/her own alcoholic beverages during an approved guest day.

Each fraternal or social club is permitted to designate seven (7) days per month as a guest day. During this authorized guest day, alcoholic beverages may be purchased by guest of the club as well as members. The main intent of the guest day when it was established by law was to allow clubs to recruit new membership and show the benefits of club membership to interested citizens. The Commission has an established procedure in place which must be followed in order to hold an authorized guest day. The club must contact the Excise Police office which has jurisdiction and request permission to hold a guest day. An authorized guest day may be requested on any day of the year. An Excise Officer will then mail, fax or email a club card listing the date requested. This card must be posted conspicuously on the premises during the day designated as Guest Day.

A Guest Book is a practice that allows for registration of non-member guests. The club maintains a sign-in book and members are permitted to sign-in a non-member guest. The guest book should include the date, name of guest and signature of host member. The purposes of the guest book are to allow friends and family access to the club facility and to monitor the purchase of alcoholic beverages by members for guests. The guest-member ratio is suggested by the Commission to be kept at or near a one-to-one ratio. The guest book policy does not allow the purchase of alcoholic beverages by non-members. Only an approved guest day authority allows for non-members to purchase alcoholic beverages. Since the Commission regulates the distribution and sale of alcoholic beverages only, non-members may enter, loiter, and eat in the club facility without any sanctions. In addition, a non-member may pay for food or non-alcoholic drinks they wish to purchase.

A club is prohibited from leasing or renting its bar facilities to an outside organization or persons. Non-members or members who rent a room other than the bar area may bring alcoholic beverages which have been purchased from someone other than the club into that room. (Editor Note: Even though legal, Lodge rules may prohibit this.) A violation would occur if the club sold alcoholic beverages to a non-member who rented a room in the club's facilities. A club may prepare food and provide services other than those related to alcoholic beverages to non-members. A club member may rent a room or rooms for special occasions and the club may furnish the alcoholic beverages. The member must pay for all alcoholic beverages either prior to or immediately after the event has concluded. There can be no cash bar for non-members unless a guest day authority has been obtained.

MENORIAL DAY

Memorial Day is a federal holiday for honoring and mourning the military personnel who have died in the performance of their duties while serving in the Armed Forces. In 1926, the Elks constructed a magnificent Veterans Memorial Building in Chicago (Elks National Headquarters is in Chicago) honoring the fallen Elks of WWI. Through the years, the Memorial has been rededicated to honor the memory of American veterans who have died for our great nation. As Elks, we honor and cherish our veterans
