MESSAGE FROM THE EXALTED RULER

As you may or may not know the Elks motto for the 2010-2011 lodge year is "ELKS CARE – ELKS SHARE". As for the most part I feel we have started this year out very well by all the special events and fundraisers that we have had so far and for those that are coming up.

In order for our lodge to continue to do the great things we do for our members and our committee, we all need to support our lodge and each other in order to continue to make our lodge stand out from others.

As I have said in past newsletters and will continue on saying, that without the support of our members volunteering their time and energy, we would not be able to do all the things we do.

For all of you that have stepped up and are doing your part, we thank each and every one of you, and for those of you that are able and willing to do so, please step up. After all, this is your lodge and what you do will determine the direction we go.

There are lots of upcoming events and fundraisers, so please come on out and support these events for your lodge and committee, and remember.... ELKS CARE – ELKS SHARE.

Thanks to everyone for continued support of your lodge.

Jack Hoge, Exalted Ruler

In addition, support from the Indiana Elks has enabled IU School of Medicine to secure a \$375,000 grant for new possibilities for treatments for diseases ranging from cancer to heart disease.

The Elks will have the grills fired up with burgers, brats, and hot dogs on the lakeside patio beginning at 3 pm. Entertainment featuring karaoke by Main Stage begins at 6 pm.
