MESSAGE FROM THE EXALTER RULER

It's February. That puts us only a few months away till activities start again in April. Watch your bulletin for more information. I hope most of you can get vaccinated before the summer months so we can get out of the COVID doldrums.

If you get an opportunity, "Thank" your Elks officers, trustees, employees and especially our dedicated volunteers. Without them there would be no Elks 2120. Please let us know if you are willing to help out in any way. It would be greatly appreciated.

Steve Politz. Exalted Ruler

Come, eat, and stay for our Lodge meeting.

YOU DON'T HAVE TO BE A GOLFER TO SWING A RAKE!

You know how often we say Thank You to our Volunteers and Officers. You also know how often we ask for additional Volunteers. We are fortunate that we have a number of members who generously give their time and sometimes their money to our Lodge. We also know and understand that not everyone has the time to Volunteer. If you are one of those members who would like to help but really just does not have the time to make an extended commitment, you may be just the person we are looking for.

You may not know how important our golf course is to the financial well being of the Lodge. The Lodge depends on the revenues generated from the course. The course would not survive without the Volunteers who staff the Pro Shop as well as those who Volunteer from time to time throughout the year to provide necessary improvements and maintenance.

If you would like to contribute a few hours of your labor, but not be committed to a long term obligation, we have just the opportunity for you. **AND YOU DO NOT HAVE TO BE A GOLFER!**

We are scheduling a "Course Clean-Up" for three Saturday's in March. The 13th, the 20th, and the 27th. All we're asking is your labor on all or any of those days from 10 AM to noon. We really need some of you younger guys to come out and help the older guys (with bad backs) who seem to be the ones who always show up.

We do ask that you bring your own rake. Also if anyone has a dump trailer we sure could use it. Our goal is to have the course ready for the mowers by April 1st.

Any questions please contact Gregg Glass at 223-4812. And remember, you don't have to be a golfer to help.
